RE: Interstate Compact Agreement

Dear Parent or Guardian:

Federal Law requires that children cannot be placed into the care of an agency across state lines without the approval of the Interstate Compact Authorities in each state. This is intended to assure that children are placed into licensed, safe placements and that the state laws in the sending and receiving states are followed. Even parent placements are regulated by this compact agreement, unless placing directly with a relative.

I have enclosed a copy of the Interstate Compact Placement Request. Please follow these steps when completing:

1. Complete Section I of the Interstate Compact Placement Request with the vital information.
2. Sign the request in Section III where the X indicates

After you have completed the Interstate Compact Placement Request then return it to Sorenson's. We will then forward it to the appropriate state for completion.

It is imperative that these forms be completed and returned to Sorenson's immediately.

If you have any questions concerning this, please contact my office at (435) 638-7318.

Sincerely yours,

Linda Nebeker
